| Experience

Senior User Experience Designer, Amtrak

Remote | August 2023 – Present

Working on the Experience Strategy and Design team to help design new employee-facing tools and systems, and refine existing employee workflows and experiences.

Interaction Designer, Supply

Portland, OR | September 2021 – June 2023

Worked as an Interaction designer on web and product design projects. I was responsible for leading strategic design planning and design execution within projects. Primary clients included Nautilus Inc., Bowflex, Autodesk, and Grom Social.

UX Designer, Bluecadet

Philadelphia, PA | June 2019 – September 2021

Worked as a designer on projects from kickoff to launch. I was responsible for leading client workshops and discovery efforts, and developing internal and client-facing deliverables throughout the course of the project. Deliverables included sitemaps, architecture, user journeys, wireframes, and high-fidelity prototypes.

Digital Content Specialist, Eastern Standard

Philadelphia, PA | December 2016 – August 2017

Managed and created content on websites built on Drupal 7 and 8, WordPress, and updated static HTML sites. Designed and implemented responsive HTML emails supporting variable content.

| Education

University of Washington

September 2017 – August 2018
